CEA monthly tuition is pro-rated on a 12-month year. Some months include more instructional hours than others. Vacations and breaks are built into this schedule, as are extra practices and some routine camps. Regardless of the number of instructional hours, the tuition remains the same. This fee is the price monthly to be a member of Cheer Extreme. Tuition is paid by bank draft on the 1st of every month and competition fees are paid by bank draft on the 15th of each month, June through February. Tuition is drafted for the 30-day period following a written request to leave the program.

Cheer Extreme must be your extra-curricular priority. This is a team sport dependent on the 100% participation of all athletes. Your practices and competitions are mandatory. All events must be attended by all members. Parents can and are encouraged to travel with athletes on trips. Hotel arrangements are made in blocks but rooms are booked on an individual basis. It is your responsibility to book your hotel room for each event before the deadlines given. Money for uniforms will be due the day of fitting. Cash, money order, or cashier's check will be the only methods of payment accepted. NOTE: If you leave the program after you have been sized for a uniform, you will be refunded your payment minus a \$75 restocking fee at the end of our season IF and only IF your uniform is sold; you will not be given your uniform to sell.
