#### **JOINING CEA:**

**\*\*When you join CEA, you are joining the program, not a specific team.\*\***

- Team placements on initial team rosters are set for choreography purposes by Fall 2023.
- Athletes who do not keep skills performed at tryouts may be moved to a different team and/or become an alternate for that team.
- Those athletes who showed marked improvement may be moved up as well. These same rules apply throughout the season and for postseason.
- Rosters are open to change throughout the season as athletes grow out of or into stunt positions...teams are expected to show consistency in the gym before taking the mat.
- Athletes must also show consistent attendance and good attitude/behavior throughout the season in order to keep their spot.
- Athletes must be hitting full out routines 2 weeks prior to a competition in order to solidify their spot on the competition floor. If sickness or absences prevent this from happening, it is always based on the coach's discretion.
- Please keep in mind that once a routine is learned, only a very specific athlete can fulfill the expectations of what was created.
- We have a zero tolerance for bullying. Any behavior issues can be reported to our sports compliance company at any point in the season. The number to this company is 800-879-SAFE.

#### **ATTENDANCE:**

- For safety reasons, we require all athletes to attend **ALL** practices 2 weeks prior to a performance (including those added to their regular practice schedule) to be 100% eligible to compete.
- If an absence **CANNOT** be avoided (funeral/sickness/other excused absence) - please bring it to our attention as soon as possible.
- Each individual case is based on the coach's discretion based on what is best for the team.
- Vacations/school dances/field trips etc. do not count as excused absences and sometimes difficult decisions must be made for all parties involved.
